

**Thoracic Surgery Service  
Assistant/Associate Level**

The Thoracic Surgery Service at Hackensack University Medical Center is accepting applications for a full-time faculty position at the Assistant/Associate Level with participation in a full range of academic and clinical activities, including graduate teaching programs; all facets of patient care, and research in general thoracic surgery.

Applicants must be ABTS board eligible/certified, and must have completed a general thoracic track cardiothoracic residency program or have concentrated contemporary experience in general thoracic surgery. Preference will be given to applicants with interest and experience in clinical research and complex minimally invasive thoracic surgical procedures.

Interested applicants should send current curriculum vitae to:

Bernard J. Park, MD  
Chief, Thoracic Service  
Department of Surgery  
c/o Michael Medina  
Hackensack University Medical Center  
30 Prospect Avenue  
5 Main, Suite 5640  
Hackensack, New Jersey 07601
